TCG CREST

Ph.D. Program – January 2025 Session

All candidates who have met the eligibility criteria as mentioned in the AcSIR portal and opted for TCG CREST Lab in their preference list during application will have to appear for a written test as part of the selection process. The candidates qualifying in the written test will be called for interview at a later date.

Candidates, shortlisted for the written test, must communicate to the AcSIR coordinator, TCG CREST (On or Before 15.11.2024) regarding their choice of the TCG CREST Centre (RISE, CQuERE, IAI, CHINTA). The email ID for communication is academic.coordinator@tcgcrest.org

For example, a candidate who has applied for the Physical Sciences program and his/her research interests align with the RISE centre, he/she must appear for the PS-RISE examination ONLY. Similarly, if his/her research aligns with the CQuERE centre, he/she should appear for the PS-CQuERE examination ONLY.

The details for the written test are given below:
